DEPOSITION TRANSCRIPT AMENDMENT SHEET

DEPONENT: Lisa Wise
CASE NAME: La Union del Pueblo Entero. et. al. v. Gregory W. Abbott.
CASE NUMBER: 5-21-CV-00844-XR
DEPOSITION DATE: April 18, 2023

Pg:Ln	Change	Reason
11:4	Replace <election> with <deposition>	Transcription error
12:16-19	Replace <we had a process for petition verification, which we had not done since I began this deposition. And so we were overseeing that process> with <we have now developed a process for petition verification, which is new since my prior deposition. And so we now oversee that process>	Transcription error/clarification
12:21-22	Replace <we've done that we haven't done since I started> with <we do that we didn't when I was last deposed in this case>	Clarification
15:24-25	Change <where we were getting places that we thought were short in the county that were underserved> to <where we thought the county was underserved>	Clarification; transcription error
16:17	Replace <with the interior spaces available> with <which interior spaces are available>	Transcription error
18:20	Insert <on> between <based> and <a>	Transcription error
30:6	Change <and> to <that>	Transcription error
32:12-13	Change <I think that was indicative of a few really, like, retained the information> to <I think the old training's format was not indicative of whether people really retained the information>	Clarification; transcription error
37:7	Change <trying to> to <in the>	Transcription error

Pg:Ln	Change	Reason
51:16	Change <voids, and> to <VUIDs (Voter Unique Identifiers), saying>	Transcription error; clarification
58:2	Change <that we weren't able to track> to <but we weren't able to track them>	Clarification
58:10	Replace <applications for rejections> with <rejected applications>	Transcription error
60:3-4	Change <something were rejected as untimely, we weren't> to <a ballot was rejected as untimely, we wouldn't be>	Clarification
58:14	Change <8,866> to <8,866, excluding FPCA and including ballots received late, and 8,017 excluding both FPCA and ballots received late>	Clarification
58:21	Change <8,103> to <8,103, including FPCA, and 7,859 not including FPCA>	Clarification
58:23	Change <763> to <158 were rejected for reasons other than untimeliness>	Clarification
62:23	Replace <that that was> with <that being>	Clarification
69:21	Insert <they> between <requests,> and <were>	Transcription error
70:7	Insert <to> between <needed> and <put>	Transcription error
85:1	Replace <in "when it"> with <"when in">	Transcription error
87:6	Replace <also, share> with <I also shared>	Transcription error
91:1	Replace <were on it> with <wanted>	Transcription error
91:13	Insert <to the mail ballot process> between <changes,> and <and, frankly>	Clarification
92:7	Insert <applications> between <these -> and <coming back>	Clarification
92:8	Replace <it> with <the insert>	Clarification

Pg:Ln	Change	Reason
94:25	Replace <social's last four> with <the last four of your social>	Clarification; transcription error
95:7-10	Replace <So it was just basically to – to combat that with whether you just put the driver's license and we had the last sosh [sic], just to fill both out> with <So the insert was meant to combat that. Our message was to fill in both your driver's license and the last four of your social on the application >	Clarification; transcription error
95:18	Replace <we did in the questionnaire as> with <we did differently with the application from>	Clarification
96:2	Replace <request, we'd send them the request> with <application, we'd send them the application>	Clarification
98:14	Replace <defect> with <defective>	Transcription error
100:9	Insert <that helped voters> after <saw that>	Clarification
102:17	Insert <closer to the general> between <we get> and < -- the numbers>	Clarification
105:11	Replace <six days> with <within six days of the election>	Clarification
106:10	Replace <untimely> with <untimeliness>	Transcription error
106:11	Replace <that was what the rejection reason was> with <untimeliness is why they were rejected>	Clarification
107:7	Replace <For our office, it> with <The feedback our office got>	Clarification
107:16	Insert <being> between <not> and <used>	Transcription error
107:20	Replace <that> with <those issues>	Clarification

Pg:Ln	Change	Reason
108:8-11	Replace <And if they can get on the – there and send it – fix it on the ballot tracker or they can just send the ballot back. And so a lot of times, they would just say, I’ll just send the ballot track back or the ballot> with <They can then go online to fix it on the ballot tracker or they can just send the ballot back, so a lot of times, voters say, I’ll just send the ballot>	Clarification
108:23-24	Replace <core – the – the – that platform> with <ballot tracker>	Clarification
113:6-7	Replace <at 1.9. I think that’s – if I remember correctly> with <at 1.97, considering only timely received mail ballots>	Clarification
115:16	Replace <done, we know that, we don’t> with <done automatically and we don’t>	Clarification
115:23	Replace <through that> with <for updates>	Clarification
117:1-5	Replace <step-by-step what happened, really happened with this application. ‘Cause a lot of times you just get the ultimate is it rejected or accepted and not get to track it through the whole process of that> with <step-by-step of what happened to the application because you can only see the ultimate answer as to whether it was rejected or accepted but cannot track the application through the whole process>	Clarification
118:23-25	Replace <So – it – when I would look at success, I mean, that was kind of a question I asked, is that I would say you know, were we have -- > with <When I consider whether an election was successful, I ask myself,>	Clarification

Pg:Ln	Change	Reason
119:2	Replace <was obviously we'd done something wrong> with <was something we'd obviously done wrong>	Transcription error
119:4	Replace <is how I guess I would deem that> with <are how I judge success>	Clarification
121:2	Replace <they weren't able> with <the voter wasn't able>	Clarification
121:9	Replace <ballot and you just sent me another ballot> with <ballot and you had sent me a duplicate>	Clarification
125:14	Replace <put it on the ballot when it was returned> with <put the ID number on the ballot when it is returned>	Transcription error; clarification
128:12	Replace <come in> with <be mailed in>	Clarification
128:14	Replace <update it> with <update the voter's registration record>	Clarification
129:19	Insert <it> between <into> and <the second time>	Transcription error
132:1-2	Replace <and that – we just import – goes into VOTEC, and that information is already there> with <is imported into VOTEC automatically>	Clarification; transcription error
132:20	Insert <which shows> between <run> and <that it is>	Clarification
134:3-4	Replace <security envelope, yes. Privacy, which is the same one> with <security envelope, which is the same as a privacy envelope>	Clarification
135:7	Replace <verification board in> with <verification committee and>	Transcription error; clarification
138:24-25	Delete <, as already we don't>	Clarification
143:2	Insert <the status> between <known> and <of>	Clarification

Pg:Ln	Change	Reason
143:19-21	Replace <I believe – and that’s what – that’s what I’m not a hundred percent sure on. But I believe that is the assister oath incomplete resent to voter> with <That means assister oath incomplete resent to voter>	Clarification; transcription error
144:9	Replace <curer> with <cure>	Transcription error
144:13-18	Replace <I don’t – I – I honestly – I don’t think so. I would have to check on that. It seems like that would be the same – the same category, both of those, but I don’t know for sure what the no signature or mark on. I know the EVC is the carrier envelope, but I don’t know for sure the NS, no signature remark.> with <E5 means the unsigned carrier envelope was received before the deadline and the office could take action to notify the voter. NS means the unsigned carrier envelope was received after the deadline so no cure was available>	Clarification; transcription error
152:4	Replace <daily reports that each – report forms> with <daily report forms>	Clarification
152:7	Replace <need -- > with <but>	Clarification
152:12	Insert <of> between <because> and <handwriting>	Transcription error
157:17-18	Replace <them, yes, they’re not allowed to be that close to the voter while they’re preparing their ballot> with <the election judge that the poll watcher is not allowed to be that close to the voter while they’re preparing their ballot>	Clarification
157:21	Replace <they’re not allowed to stand within observation> with <the poll watcher is not allowed to stand within the observation>	Clarification

Pg:Ln	Change	Reason
157:24-25	Replace <they are not able to be – in my opinion, I would recommend they> with <I would recommend the poll watcher stand back>	Clarification
158:8-15	Replace <if that activity is observable as defined in the poll watcher's guide, I don't think that the poll worker should not be able to be in front of voter checking them in, giving them the forms, getting the ID checked in. So if it were like that check-in process, again, I think it should be where the watcher is off to the side, and they are directly with each other.> with <as long as the activity is observable, the poll watcher can watch, but they should not prevent the poll worker from interacting with the voter as needed, including while checking the voter in, giving them forms, and checking the voter's ID. When those activities, for example, are happening, the poll watcher should be off to the side.>	Clarification
158:20	Replace <they are doing that> with <the poll worker is helping the voter>	Clarification
158:21	Replace <have a render> with <remember>	Transcription error
161:17	Replace <is both> with <is available both in the poll book and on paper>	Clarification
161:18	Insert <on> between <that's> and <both>	Transcription error
162:5-6	Replace <it's two elections back that that holds that data> with <we have that data going back two elections>	Clarification

Pg:Ln	Change	Reason
168:17-20	Replace <I believe we turned that number in in the – one of the questions, but I don't know if this is just – I don't know if that include – is included in this report> with <I believe we submitted that number in response to one of the interrogatories, but I don't know if it is reflected in this report>	Clarification
170:15	Replace <the other> with <my earlier>	Clarification
172:16-22	Replace <yes. If it's something that's a quick question and that could be handled by someone on the phone bank, am I registered, where can I vote, it would not be brought to my attention. If they call the call center and there is an issue, they fill out a Goggle form, and I would see that> with <yes, they'll tell me. If it's just a quick question that can be handled by someone at the call center, like am I registered or where can I vote, that would not be brought to my attention. If they call the call center and there is an issue, the call center person would fill out a Google form, and I would see that entry>	Clarification; transcription error
176:5	Replace <for a voter> with <directed to voters>	Clarification; transcription error
